FINITURE

FINISHES

LE FINITURE HANNO UN'IMPORTANZA FONDAMENTALE NELLA DEFINIZIONE DELLO STILE DI UN AMBIENTE. LA PERCEZIONE DELLO SPAZIO PUÒ VARIARE SECONDO I COLORI E I MATERIALI UTILIZZATI. GLI EFFETTI CHE SI POSSONO OTTENERE CON LE FINITURE SONO MOLTEPLICI: TONO SU TONO O ACCOSTAMENTI IN CONTRASTO.

The finishes have a fundamental importance in the definition of the style of an environment. The perception of space can vary depending on the colors and materials used. There are many effects that can be achieved with the finishes: tone on tone or contrasting combinations.
